

Kacey Morabito Grean

Kacey Morabito Grean has been helping to wake up Westchester and the Hudson Valley for 14 years on Mike and Kacey in the Morning on 100.7 WHUD. Back in the early '90's, she was as the first host of Night Rhythms where she took your requests and dedications, nightly.

Hudson Valley born and raised, Kacey's greatest joy is serving her neighbors, family and friends in Verplanck, Peekskill and Philipstown, plus all the new friends she's met along the way. Good News is a weekly radio feature that Kacey creates to highlight people who are making Westchester and the Hudson Valley a better place to live. Kacey's Health and Happiness Show, heard every Sunday morning, shines a spotlight on ideas that help you be your best. In her quiet time Kacey is very quiet! Yoga, Pilates, hiking, kayaking and hanging with her 4 dogs and two cats is all the excitement she needs.

Kacey's childhood friend, John Scivoletto set her up on a blind date. Two years later she married that date, contractor Mike Grean. They spent their honeymoon in the bleachers at the old Yankee Stadium. Mike is a contractor and a Level 5 USA Hockey Coach. He coaches the ice hockey team at Kacey's Alma Mater, Hendrick Hudson High. Go Sailors! Kathleen Collette was named for two nuns at Villa Loretto in Peekskill. "Kacey" is active in the Society of Our Lady of Mt. Carmel in Verplanck and its Italian Feast. Her grandfather from Cittanova Calabria was one of the founding members 92 years ago. The annual Feast of Mount Carmel in Kacey's hometown of Verplanck is home to the World's Largest Tarantella – an undertaking she spearheaded in 2013 Grandparents Hometown: Cittanova, Calabria. Still have cousins there
