Started a business when I retired from the PD that constructed tennis courts,

expanded the business over 25 years to a Sports Construction company that builds running tracks, baseball fields , turf fields, basketball courts any thing sports related that is constructed outdoors or inside buildings or on roof tops.

We do mostly Municipal and Commercial work and high end residential tennis courts.

My son Eric took over the company which is called Sport Tech Construction and is located in Brewster, I now work for him & his partner.

Hobbies vintage cars I have 5 cars and like to work on them and like to travel in the Winter to any place that's warm and has a beach.
